R.A.P. Challenge

Reflect: What area of your life feels like "Friday" right now, and how does the Resurrection remind you that God is still at work?

Act: This week, intentionally encourage someone who is facing a difficult season by sharing the hope found in the death and resurrection of Jesus Christ.

Pray: *"Father, thank You for the greatest crossover in history through the death and resurrection of Jesus Christ. Because He lives, I have victory over sin, hope for tomorrow, and eternal life. Help me live each day from that victory and share that hope with others. In Jesus' name, Amen."*
