Reflect: What promise from God have you been standing beside instead of stepping into by faith?

Act: Take one courageous step this week toward the purpose God has placed before you. Stop waiting for perfect conditions and begin walking in faith.

Pray: *"Father, thank You for every crossover You have made in my life. Give me the courage to move beyond the shoreline of fear and possess every promise You have prepared for me. Help me walk in faith, live with purpose, and leave a legacy that points others to You. In Jesus' name, Amen."*
