R.A.P. CHALLENGE

Reflect: What have you mistakenly declared dead simply because you cannot currently see evidence of growth?

Act: Identify one seed God has placed in your hand that you need to release this week—your time, talent, resources, forgiveness, service, dream, or obedience.

Pray: Ask God to give you faith to trust Him when you cannot see what He is doing. Pray for the courage to release what He has placed in your hands, patience while the seed is underground, and faith to believe that the harvest is coming.
