R.A.P. CHALLENGE

Reflect: Identify one area where you have become discouraged because you haven't seen visible progress. Ask yourself: "Have I mistaken God's silence for God's inactivity?" Look for small signs of growth you may have overlooked because you were focused only on the finished harvest.

Act: Choose one seed you've been tempted to dig up and leave it in God's hands this week. Keep praying. Keep serving. Keep giving. Keep forgiving. Keep obeying.

Pray: Ask God to help you trust Him when you cannot see what He is doing. Pray for patience with His process, faith during the underground seasons, and strength to remain faithful until the harvest comes.
