R.A.P. CHALLENGE

Reflect: Ask yourself: "If my life ended today, what have I planted that could continue producing fruit without me?" Think beyond possessions. Consider your faith, wisdom, example, relationships, generosity, ministry, and influence.

Act: Choose one person in the next generation and intentionally plant something into them this week. Encourage them. Teach them something. Pray with them. Share your testimony. Open a door for them. Invest time in them.

Pray: Ask God to help you live for more than what you can receive. Pray that He shows you where to plant your time, gifts, resources, wisdom, testimony, and faith. Ask Him to produce fruit through your life that blesses your family, church, community, and generations you may never personally see.
