R.A.P. CHALLENGE

REFLECT: Where is the biggest gap between what I say I believe and how I'm actually living? Is there an area of my private life that doesn't match my public profession?

ACT: Choose **one area** this week where your behavior needs to catch up with your belief. Don't try to fix everything at once. Identify it, find the Scripture that addresses it, and make one concrete change. If necessary, bring someone trustworthy into that area for accountability.

PRAY: “God, make me whole. Remove the gap between what I say and how I live. Give me integrity when people are watching and when nobody is watching. Strengthen my character so it can support the calling You have placed on my life. Let my words, choices, relationships, and actions reflect the faith I profess. Help me not just look the part, but live the life. In Jesus' name, Amen.”
